

11<sup>TH</sup> NORDIC NUTRITION CONFERENCE  
GOTHENBURG 20-22 JUNE 2016

## Invitation to exhibit or become a partner of the joint venture by the NNC and the NDC, 19-22 June 2016

On behalf of the Scientific and Organizing Committees for the **Nordic Nutrition Conference 2016** (NNC 2016) and the **Nordic Dietetic Conference 2016** (NDC 2016) we invite you to attend the joint venture of these meetings as a partner or exhibitor.

There is also a possibility to arrange satellite symposia during NNC 2016.

### NNC 2016, 20-22 June 2016

#### *Bridging Nutrition Sciences for Better Health in the Nordic Countries*

An overarching goal of the Nordic Nutrition Conference, which is held every 4 years, is to bring together Nordic nutrition scientists and professionals to present their latest scientific results and discuss important issues in the field of nutrition research. A special objective of the conference is to create a bridge between public health and clinical nutrition research for better understanding of the linkages between food, dietary habits, health and disease. We aim to provide a comprehensive programme, updating current science and its interaction with society and clinical practice, and a forum for the exchange of new ideas.

We expect around **600 delegates** to attend NNC 2016.

NNC 2016 is organised by the SNF Swedish Nutrition Foundation, in association with the Nordic Dietetic Association, the Swedish Society for Clinical Nutrition and Metabolism (SWESPEN) and the Swedish National Committee for Nutrition and Food Sciences.

Programme and more information: [www.nnc2016.se](http://www.nnc2016.se)

### NDC 2016, 19 June 2016

#### *Professional development and future perspectives*

Dietitians are food and nutrition experts who can translate the science of nutrition into practical solutions for healthy living. The Swedish Association of Clinical Dietitians has arranged biannual conferences for its members for many years. This year we look forward to sharing this day with our Nordic colleagues. The focus of the conference is professional development for dietitians and an opportunity to network with Nordic colleagues.

We expect around **300 delegates** to attend NDC 2016.

NDC 2016 is organised the Swedish Association of Clinical Dietitians.

Programme and more information: [www.nnc2016.se/ndc](http://www.nnc2016.se/ndc) and [www.drf.nu](http://www.drf.nu)

## Welcome to Gothenburg!
